SIR

Subject - Grant of a conveyance allowance to the Lady Sub Assistant Surgeon who attends to anti-natal and child welfare work of the L F Dispensaries in - Bangalore City

---

In forwarding herewith a copy of letter No C 1544 dated 8th August 1944 received from the Chief Medical Officer, Women's Hospitals in Mysore on the above subject, I have the honour to state that it is stated therein that the work of the Lady Sub Assistant Surgeon of the Vanivilas Hospital deputed for weekly visits to the L F Dispensaries in the Bangalore City, in accordance with your letter No G 2999 Med 49-43-2, dated 4th September 1943 has increased to a great extent

2 It is understood that this system was introduced with a view to relieve the inconvenience caused to sick women who have to come to the Vanivilas Hospital from long distances that the woman-doctor deputed for the purpose is not being paid any conveyance allowance for her visits to the dispensaries and that, in these days of difficulties of transport, it is essential that she should be given Rs 20/- per month as conveyance allowance The Health Committee before whom the proposal was placed resolved on 19-10-1944 that 'A conveyance allowance of Rs 20/- per month may be given' and the resolution was approved by the Municipal Council on 15-12-1944 Copies of the resolutions are enclosed for your information

3 As no specific provision has been made in this behalf in the current year's budget, the extra cost involved will be met out of the lumpsum provision of Rs 14,000/- made under E3-C Municipal Maternity Homes, during the current year

4 I request you kindly to obtain sanction of Government to the payment of the conveyance allowance of Rs 20/- per month to the Lady Doctor with effect from 1-7-1944, as suggested by the Chief Medical Officer

I have the honour to be,
Sir,
Your most obedient servant,

P Subba Rao

Letter No C 1544-4/2 dated 8th August 1944, from the Chief Medical Officer, Women's Hospitals in Mysore Bangalore

I have the honour to state that in accordance with letter No. G 2999/Med 49-43-2 dated 4th September 1943, of the Secretary to Government Law Department, Bangalore, (Copy enclosed), I have the honour to state that a Lady Sub Assistant Surgeon attached to the Rani Vilas Hospital Bangalore, was deputed for weekly visits to the marginally noted Local Fund Dispensaries in Bangalore City, to render medical help to the women of the concerned areas A statement showing the number of women patients treated by the Lady Sub Asst Surgeon in each dispensary from October 1943 to end of May 1944 is forwarded herewith By the statement, it is clear that the new system introduced is becoming popular as the number of patients are gradually increasing

1	L F	Dispensary,	Basavanagudi
2		-do-	Ganigarpet
3		-do-	Cottonpet
4		-do-	Malleswaram
5		-do-	Chamarajpet

This system was introduced as many of the women patients attending L F Dispensaries in Bangalore City, require internal examination and with a view to relieve the inconvenience caused to sick women who have to come to the Vanivilas Hospital from long distances at the present time when the difficulty of trarsport is so great

As this system is becoming popular as is evident from the enclosed statement, I propose continuing the same

At present, the woman doctor deputed for the purpose is not paid any conveyance allowance for her visits to the dispensaries When the difficulty of transport is so great during these days, it is fair that the women doctor should be compensated with some allowance towards

her journey to and fro, for the dispensaries

I request you, under the circumstances, to be so good as to arrange to communicate the willingness of th Council about the payment of a sum of Rs 20/- per mensa by the Municipality towards the conveyance charges the woman doctor deputed for the purpose with effec from 1-7-1944

The favour of an early reply is requested
